## Dear Friends,

Since 1906, Brio Living Services (formerly United Methodist Retirement Communities and Porter Hills) has offered Michigan's most diverse housing and service options to older adults of all income levels. Today, Brio's mission is: **Welcoming all, partnering together, enriching lives**, with a vision of **a world in which all are empowered to age well**.

Much has changed over the years, but our foundation of faith and caring has never wavered. Today, Brio's 22 locations and service lines provide care for approximately 8,000 older adults annually. It is our great privilege to be part of their lives, as well as those of their loved ones, and of Brio's dedicated team members and their families.

Each of us Co-Chairs has seen first-hand the positive impact of the organization through the lens of a family member. Our loved ones experienced Brio's continuum of care as they aged, and we each felt the warmth of devoted team members who felt called to care for older adults and who became part of our family.

As the population of older adults continues to grow, especially in Michigan, we understand the urgency of supporting the growth of Brio Living Services—both for the older adults Brio serves and its team members. The **Live Life with Brio** Campaign focuses on **Capital Improvements, Team Member Investment, Program Investment, and Benevolent Care**, the cornerstone of the UMRC-Porter Hills Foundation.

How do we describe Brio Living Services? Compassionate, dynamic, trendsetting, and—gratefully—open to people of varied backgrounds, needs, and resources. We are proud to serve as Campaign Co-Chairs, and we invite you to join us in helping older adults to **Live Life with Brio!**

"While my mom was still in good health, my dad had early stages of Alzheimer's disease and my aunt required nursing care. My mom was trying to care for them both. We made the decision to move all three of them to Porter Hills Village where they could each receive the level of care they needed. The way the team members loved all my family was the most important thing."

## TEAM MEMBER INVESTMENT (\$2 MILLION)

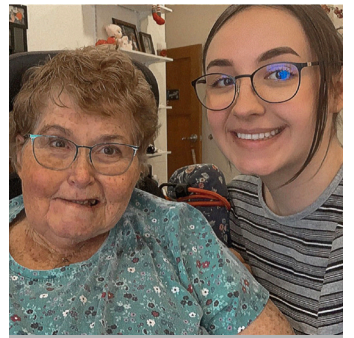

We recognize it takes compassionate, skilled team members to deliver on the promise of our mission every day. For most, it is not just a job, but a calling to serve others. Our team members go the extra mile to make life better for older adults and, with the help of our donors, we are honored to give back to them in these life-changing ways:

- **Scholarships** to help Brio team members realize their educational and career goals.
- **Emergency Aid**, providing eligible team members with limited assistance in times of emergency.
- Access to reliable, affordable **Transportation | Childcare | Workforce Housing** to ease the burden of these expenses on our team members.

"I am grateful for my Scholarship. Financially, it's taking a lot of stress off going to school, and it shows our organization cares about its team members. It helps that I can work, and it motivates me more to continue my education."

—Mia Larson, Shabaz at Green House® Homes, who is pursuing her R.N. degree, thanks to a scholarship from the UMRC-Porter Hills Foundation.

# FAITHFULLY...

## BENEVOLENT CARE (\$2 MILLION)

The cornerstone of our organization throughout our combined history has been the **Benevolent Care Fund**, ensuring that qualified residents who outlive their savings always have a home where they are loved and cared for like family. It is at the heart of our faithful founders' vision on both sides of the state, allowing older adults to age with dignity and grace, even if they exhaust their resources. It remains the most faithful aspect of the work we do to care for older adults, and we continue to honor that commitment. Through the **Live Life with Brio** Campaign, we will focus fundraising efforts for the Benevolent Care Fund for both the east and west.

"There are not enough words to express my tearful thanks to the UMRC-Porter Hills Foundation's Benevolent Care Fund for the care of my wife these past several years. Thank you."
